BLESS YOUR HEART & MIND YOUR MAMA
Sassy, Sweet and Silly Southernisms
By Polly Powers Stramm
Southerners sure do have a way with words! Who needs simple and direct when you can color every conversation with Southern style? Some sayings are inspiring and uplifting while others have that biting tongue-in-cheek humor Southerners adore, and Bless Your Heart and Mind Your Mama brings together the best phrasin’ south of the Mason Dixon. So sit back on yer bohunks and dig into a collection of Southernisms that’ll make you slap a knee and call your mama.

SPOOKY SOUTH
Tales of Hauntings, Strange Happenings, and Other Local Lore
2nd Edition
By S. E. Schlosser. Illustrated by Paul Hoffman
Here we have a collection of unnerving tales of events that happened—and still do happen—in the collective back yard of the Deep South states. Accompanied by evocative illustrations, these compelling retellings of 40 popular folktale are guaranteed to make readers look at the South—and over their shoulders—again and again.

THIS IS MY SOUTH
The Essential Travel Guide to the Southern States
By Caroline Eubanks
You may think you know the South for its food, its people, its past, and its stories, but if there’s one thing that’s certain, it’s that the region tells far more than one tale. It is ever-evolving, open to interpretation, steeped in history and tradition, yet defined differently based on who you ask.

SEARCHING FOR THE DIXIE BARBECUE
Journeys Into the Southern Psyche
By Wilber W. Caldwell
Searching for the Dixie Barbecue, with its thought-provoking text and many black and white photos, is a culinary and cultural saga. Here are glimpses of a fragment of society still tenaciously clinging to deep-rooted, primal instincts; to legends of the American frontier; and to the hand-me-down, rural traditions of the Deep South. This book will supply you with the elusive answers to three questions: “What is real barbecue?” “How do you find it?” and “What does it mean to be Southern?”

**SPANISH PATHWAYS IN FLORIDA, 1492-1992**
Caminos Españoles en La Florida, 1492-1992
By Ann L. Henderson, Gary R. Mormino and Carlos J. Cano

Florida served as one of the great meeting grounds of the planet, a place where peoples from Indian America, Latin America, Africa, the Caribbean, and Europe converged. This book features essays in both Spanish and English on the influence of the Spanish in Florida from the first explorers to the latest Hispanic migrations into Miami.

**PIÑAPLE PRESS**
**THIRTY FLORIDA SHIPWRECKS**
By Kevin M McCarthy. Illustrated by William L Trotter

Sunken treasure, cannibalism, prison ships, Nazi submarines, the Bermuda triangle—all are tied into the lore of shipwrecks along Florida's coasts. There are as many shipwreck stories as there are thousands of Florida shipwrecks. This book offers thirty of the most interesting of them—from the tale of the young Fontaneda, who wrecked in 1545 and was held captive by Indians for 17 years, to the story of the Coast Guard cutter Bibb, which was sunk off Key Largo in 1987 to provide an artificial reef and diving site.

**TWENTY FLORIDA PIRATES**
By Kevin M McCarthy. Illustrated by William L Trotter

Blackbeard, Jose Gaspar, Jean Lafitte—the names conjure up a romantic, swashbuckling figure with a black patch over one eye, a cutlass in his teeth, and a brace of pistols tucked into his waistband. Actors such as Errol Flynn did much to create that devil-may-care attitude glamorized on the silver screen, but in fact, real pirates were not so admirable; for the most part they were cruel, greedy, dastardly brigands, many of whom were slave traders or smugglers in addition to being pirates. This book distills the most interesting facts from many sources into a book that will be enjoyed by anyone interested in a different perspective on Florida's history.

DON TROIANI’S CIVIL WAR SOLDIERS
By Don Troiani and Earl J. Coates. Foreword by Jennifer Locke Jones
America’s most respected historical artist
In this new collection of Troiani artworks, ten years in the making, Troiani teams his signature large format battle paintings with detailed paintings of both Union and Confederate soldiers along with over three hundred photographs of uniforms, equipment, and artifacts from the nation’s most respected museum and private collections to give a full picture of the life of the Civil War soldier.

ARMIES SOUTH, ARMIES NORTH
The Military Forces of the Civil War Compared and Contrasted
By Alan Axelrod

An argument setter—and starter—for Civil War buffs who want to know which side had the better soldiers: Armies South, Armies North definitively compares the military forces of both sides.

“Like Patton at his best: [Alan Axelrod’s writing is] polished, precise, and persuasive.”—Kirkus Reviews

CIVIL WAR SITES
The Official Guide To The Civil War Discovery Trail
Second Edition
By Civil War Preservation Trust

This easy-to-use guide, completely revised and updated in clear, concise prose, features more than hundreds of sites in 31 states—solemn battlefields, gracious mansions, state parks, cemeteries, memorials, museums, and more. Specific directions, hours, and contact information help to plan the trip; evocative description and detailed maps help orient you when you’re there. Also, boxed sidebars highlight select people and events of the Civil War.

IDENTIFYING TREES OF THE EAST
An All-Season Guide to Eastern North America
Second Edition
By Michael D. Williams

This popular, field-tested guide for identifying trees in any season, not just when they are in full leaf, features 600 color photos and 200 line drawings showing bark, branching patterns, fruits, flowers, nuts, and overall appearance in addition to leaf color and shape. Accompanying text describes common locations and identifying characteristics. Covers every common tree in eastern North America, updated with the latest taxonomy and 130 range maps. Created for in-the-field or at-home use, this helpful guide includes an easy-to-use key to facilitate putting a name to a tree.

DINOSAURS OF THE SOUTH
By Judy Cutchins and Ginny Johnston
Fossils of extinct animals are scarce in the southeastern United States, but archaeologists have uncovered enough evidence to know that a variety of dinosaurs lived in Southern forests and coastal lowlands. Large meat-eaters hunted plant-eating hadrosaurs. Ostrichlike dinosaurs darted after small prey, and armor-covered nodosaurs rambled through underbrush 75 million years ago. Paleontologists have even identified some entirely new dinosaur species known only in the South.

### A TEACHER’S HANDBOOK FOR SOLOMON
By Marilyn B Shaw

An excellent resource for teaching language arts, social studies, math, and science in middle schools using Solomon. With Sunshine State Standards, as well as Blackline Masters to copy and use.

A fifth-generation Floridian, Marilyn Bishop Shaw writes from her roots for young readers, an audience she knows well after thirty years of teaching. She holds degrees from Florida State University and the University of Florida. Bitten by the travel bug during a summer at Oxford University, she now leads groups on European tours every other year. Ms. Shaw lives on a farm in north central Florida with her husband.

GREAT AMERICAN SAILING STORIES
Lyons Press Classics
By Tom McCarthy
Few people would want to test their mettle in an ice-encrusted boat with an Arctic explorer, sail the Straits of Magellan with Joshua Slocum, or watch with Owen Chase as an angry whale sends his ship to the bottom, thousands of miles from the nearest land. But it’s quite another thing to read these true accounts while settled into a favorite chair.

HEMINGWAY AND BIMINI
The Birth of Sport Fishing at “The End of the World”
By Ashley Oliphant
Follow Ernest Hemingway’s exploits on the Bahamian island of Bimini from 1935 to 1937, the very moment in time when the International Game Fish Association (under the author’s co-leadership) was emerging. Covers Hemingway’s role in the formation of the IGFA, his underappreciated seminal writing about competitive saltwater angling when the sport was still in its infancy, the amazing fishing he enjoyed on the island, and the way all of these experiences translated into the composition of his posthumous novel Islands in the Stream.

PINEAPPLE PRESS
A LAND REMEMBERED
By Patrick D Smith
In this best-selling novel, Patrick Smith tells the story of three generations of the MacIveys, a Florida family who battle the hardships of the frontier to rise from a dirt-poor Cracker life to the wealth and standing of real estate tycoons. Their most formidable adversary turns out to be greed. Love and tenderness are here too: the hopes and passions of each new generation, friendships with the persecuted blacks and Indians, and respect for the land and its wildlife.

**PINEAPPLE ANTHOLOGY OF FLORIDA WRITERS**
Series: Pineapple Anthology of Florida Writers - Volume 3
Edited by James C. Clark

This third, and final, volume in the Pineapple Anthology of Florida Writers includes Samuel Coleridge and Oliver Goldsmith, who never saw Florida, but used it in their poems. Several writers, such as Henry James and William Dean Howells, helped expose Florida to the nation. H. L. Mencken reported on the aftermath of the Jacksonville fire, John Rothchild wrote of the state’s past, and Jack Kerouac wrote of his dislike of the state. There are works by two bestselling mystery writers, William Connelly and Randy Wayne White. Backroads Florida is captured by Harry Crews and Totch Brown. And there is an essay by a man known primarily for his music, Jimmy Buffett.

The carefully curated selections are based on a number of factors, including the period in which they were written, the genre, and their contribution to literature and history. The selections of Florida literature begin in the early 1500s, and include works by Spanish, French, and British settlers. Every effort has been made to include the entire poem, short story, or selection in order to give the full impact of the work.

This is a must-read compendium for Floridians and Florida-lovers alike.

15200 NBN Way, Building B
Blue Ridge Summit, PA 17214

OVERSTOCK RETURNS
Overstock returns must be in clean, saleable condition and all titles must be in print.

OUT OF PRINT and DISCONTINUED
All Out of Print titles are returnable for full credit up to 6 months after the title is declared Out of Print.

DAMAGED ITEMS
Returns for damaged titles should be accompanied by an invoice and sent no later than 60 days from invoice to date.

SHORT SHIPMENT, NON-RECEIPTS, and MISSHIPS
Credit must be claimed within 60 days of invoice to date. Please contact Customer Service at 800-462-6420 if you have any questions or require additional assistance.

ITEMS RETURNED IN ERROR
Titles returned erroneously (including Out of Print, Not Our Publication) will not receive credit and will be returned at the customer’s expense.

VIDEO, AUDIO TAPES, and CDs
Videos, audio tapes, and CDs are returnable if the shrink wrap is unbroken.

STRIPPED COVERS
Returns accepted on predesignated titles only. Contact your sales rep for details.
